

EVERGREEN NURSERY 2016 SEMINARS

Hands on Talks & Tours with Evergreen's Garden Experts!
Seminars are at 10 am on the first Saturday of every month (except May & December)
at our Carmel Valley & Oceanside locations with extra seminars during the Spring.

JANUARY 2nd – Planning, Feeding, and Pruning Your Garden in The Winter

If you love gardening then you love San Diego. We are fortunate enough to be able to be outside in our garden all year long. Lots of people are buried in snow while we are able to do the feeding, planting, and pruning necessary to have that beautiful garden throughout the year. We will discuss all these things and more.

FEBRUARY 6th – Waterwise Landscaping With Succulents and Natives **SEATING IS LIMITED. PLEASE CALL AHEAD TO RESERVE A SEAT.**

Create a beautiful landscape with succulents and natives without it looking like a desert. Yes, it can be done and you'll also use a lot less water.

MARCH 5TH - Choosing and Caring for Fruit Trees

How to choose, plant, and grow stone fruit trees. Fruits of topic will be: apples, apricots, figs, nectarines, pears, peaches, persimmons, plums, and pomegranates

APRIL 2nd - Starting a Vegetable/Herb Garden

What does it take to grow your own vegetables and herbs? Learn the best techniques for growing in containers, or raised beds, or just planting directly into your garden.

April 16th - All About Roses

Come see and enjoy our huge selection of colorful roses and become a garden rose expert. We would love to see some of your "best" roses, please bring 'em in and show 'em off and share your own secrets of success!

May 7th – How important is it to have good soil?

A healthy soil means healthy plants. Understanding your soil type and what soil amendments are needed is crucial to your gardening success. We will discuss the types of soils in San Diego County and the soil amendments that will make each type better suited for planting your own paradise.

MAY 21st - Citrus & Avocado Varieties & Care

How about some fruit, fresh off the tree? Wow your family and friends with your delicious fruit right from your yard!! You will learn all about your favorite citrus and avocado varieties and the best way to care for them.

JUNE 4th - Summer Color & Fragrances For Your Garden - You will be amazed at the many different choices of color and fragrances for your garden. Learn how to choose the right color for your yard and your micro-climate.

JULY 2nd – Waterwise Landscaping With Succulents and Natives **SEATING IS LIMITED. PLEASE CALL AHEAD TO RESERVE A SEAT.**

Create a beautiful landscape with succulents and natives without it looking like a desert. Yes, it can be done and you'll also use a lot less water.

AUGUST 6th - Ask the Expert -Weeds, Gophers, Bugs, & Fertilizers

Our resident expert will teach you the best ways to fight the pesky critters in your garden and how to determine the best types of fertilizer to use to promote healthy, vigorous plants. We'll also answer your questions and discuss other gardening topics.

SEPTEMBER 3rd - Citrus & Avocado Varieties & Care

How about some fruit, fresh off the tree? Wow your family and friends with your delicious fruit right from your yard!! You will learn all about your favorite citrus and avocado varieties and the best way to care for them

OCTOBER 1st - Four Seasons Gardening

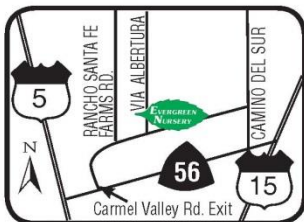

Wouldn't it be wonderful to enjoy your garden throughout the year? Find out how you can create a garden that looks beautiful in all four seasons. Yes, even winter can provide amazing color and contrast in the garden

NOVEMBER 5th - Waterwise Landscaping With Succulents and Natives **SEATING IS LIMITED. PLEASE CALL AHEAD TO RESERVE A SEAT.**

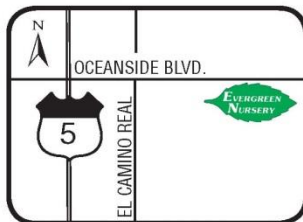

Create a beautiful landscape with succulents and natives without it looking like a desert. Yes, it can be done and you'll also use a lot less water.

DECEMBER - It's Christmas time No seminar this month but still come out and choose one of thousands of Christmas trees we have available every holiday season.

Pick up holiday favorites like poinsettias, wreaths and garland.
